We provide **individual support for adaptation in the academic world**, including: the study process, the legalization of your stay in Poland, labour market orientation, health care and insurance

*The Collegium Civitas Career Centre offers students a variety of workshops, meetings and internships. I had the opportunity to take advantage of the programme "From studies to practice", which started my journalism career in Warsaw. I did a 3-month internship at Radio Kolor, rich in valuable experience, where I met prominent journalists, politicians and social activists. The internship turned out to be the beginning of further adventures. I work at the radio station to this day.*

**SOFIYA CHEPIL**  
International Relations student

# ALUMNI

**PAWEŁ MARANOWSKI**, Graduate in Sociology,  
Institute of Political Studies of the Polish Academy of Sciences  
and Collegium Civitas Analysis Centre researcher

*Collegium Civitas is the university to which I owe my professional success up to now. During my studies I had the opportunity to meet inspiring people, improve my skills, and acquire new competencies that I use now to realize my own plans.*

**PATRYCJA SZCZECIŃSKA**

Training Games Workshop

Graduate in Intercultural Integration Management

*Thanks to studies at Collegium Civitas, you can increase your determination and courage to do things, as well as gaining valuable skills that you can later use in your professional work. I began my adventure in the university as a student of postgraduate diploma course Szkoła Mistrzów Pióra. I graduated from this course and today I fulfil myself academically as director of the postgraduate diploma programme Marketing Sportów Ekstremalnych. Is this distantly related to my original studies? Yes, it is. But everything is possible. So Collegium Civitas really does open up broad horizons.*

**MICHAŁ LEKSIŃSKI**

Director of the postgraduate diploma programme Marketing Sportów Ekstremalnych at Collegium Civitas

Graduate of the postgraduate diploma course Szkoła Mistrzów Pióra

*My history shows that studying sociology at Collegium Civitas hit the bullseye and guarantees getting a very interesting job. Fifteen years ago, after my third year of studies, I decided to do a traineeship in a research company led by my lecturer, and from then on “work has always been looking for me”. I have never applied for work anywhere myself, and have myself been invited to interviews many times. All this is thanks to the skills that the university developed in me. If I had to choose a university again, I would certainly choose Collegium Civitas!*

**JOANNA MAZURKIEWICZ-STALA**

Head of a research group at 4P Research Mix

Graduate in Sociology

*At Collegium Civitas I discovered the methodology of a modern journalist and learnt about work in social media. I met wonderful people including managers of Poland's biggest media outlets. Studies at Collegium Civitas were an excellent professional start for me.*

**ŁUKASZ GŁOMBICKI**

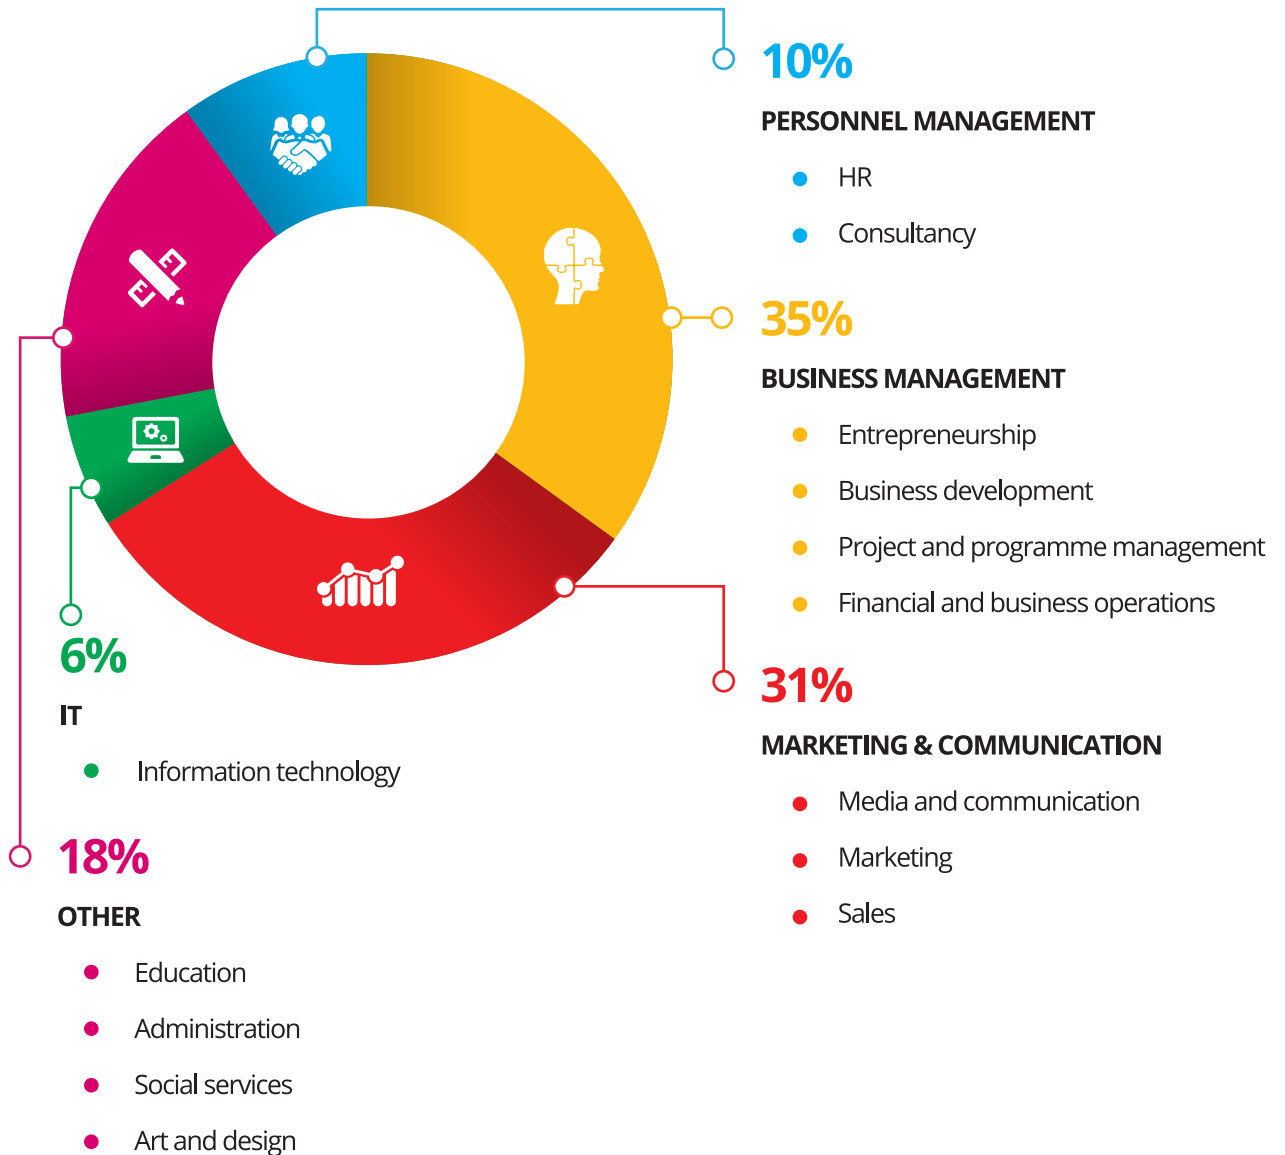

Head of the specialization: Digital influencers, social media and video in the web
