## **“Invite a Friend” Promotion Rules for Collegium Civitas Students**

1. This promotion is open to Collegium Civitas students pursuing studies in Polish, English, or Polish and English, *except* in the following fields: Cybersecurity; Integrated communications – advertising, public relations, branding (as part of the degree in sociology); Administration and public policy; Multimedia communication; Start-up Workshop; International Peace and Conflict Studies; Transnational Criminology and Cybersecurity.
2. The promotion allows a student of Collegium Civitas to obtain a 10% one-off reduction in tuition fees for one semester of studies at Collegium Civitas providing they invite 1 friend who enrolls in a study programme, except those stipulated in point 1 of this set of rules. A 15% reduction is available if 2 friends enrol and 20% if 3 or more friends enrol. The reduction is awarded to the student for one semester of studies *immediately after* the first semester of the student’s friend(s) is completed.
3. The promotion can be afforded to people who bring 1, 2, 3 or more individual, non-repeating persons who in turn submit the correct set of enrolment documents and start a first or second cycle course of studies of their choice in Polish, English, or English and Polish, in full or part-time mode, excluding the fields stipulated in point 1. In order to avoid any confusion, an “individual person” is recognized as a person who, as a friend, has been presented to Collegium Civitas only once, which means that the same person cannot be presented as a friend by other Collegium Civitas students.
4. The invited friend receives a 5% discount in fees for one semester of study at Collegium Civitas, which may be Polish-language, English-language, Polish and English-language, 1st or 2nd cycle, and full-time or part-time.
5. Should the invited friend cancel their studies, having finished their admissions and qualification procedures, neither the admissions fee, nor the entry fee can be reimbursed.

6. This promotion may not be combined with other Collegium Civitas promotional offers.
7. The Rector has the right to revoke the promotion at any time, provided that the rights acquired by the applicant are respected until the day the promotion is cancelled.
8. The rules governing the promotion can be inspected on the university website, [www.civitas.edu.pl](http://www.civitas.edu.pl), and in the Admissions Office.
